SkillsUSA Nationals

June 2023

We were so proud to have 3 LACC students participate in the SkillsUSA Nationals competition in Atlanta, Georgia. It was a trip of a lifetime and a wonderful experience for both our students and our advisors.

Andrew Pelletier - Criminal Justice (1st Place in the Nation, Gold Medal)
Jacob Lucas - Diesel Mechanics (3rd Place in the Nation, Bronze Medal)
Jordyn Leiningner - Welding Sculpture (21st Place in the Nation)

Career Fair 2023

Our annual Career Fair was another success! 35 business partners attended, & over 400 freshmen in Livingston County came through. We can't wait for next year!

Internships

Internships have been rolling this semester & keeping some of our students very busy! So far this year we've sent 20 second year students out into the community to work at various businesses. We're always grateful for the businesses that allow our students into their facilities & take the time to educate them in their fields.

Holiday Vendor Fair

This year we hosted our 2nd annual Holiday Vendor Fair. Several of our programs sold products created by their students. We even had a visit from Santa Claus himself! We want to thank the outside vendors that came and sold with us: Gail's Garden Things, Michael Woith Stained Glass Creations, and Scentsy.

LACC Spirit Week

December 11-15 2023

Every year we celebrate LACC spirit with games, trivia, gifts, prizes, and treats! We like to thank all of our students for being a part of LACC and making us proud every day!

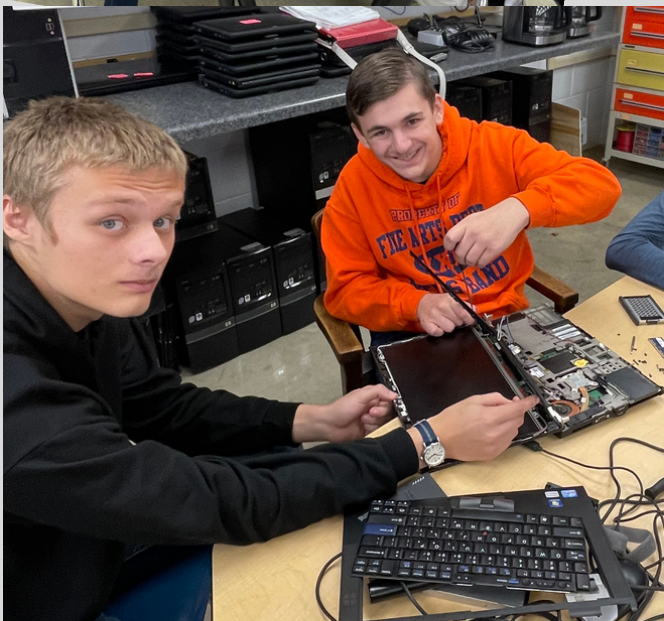

Welding Holiday Project

Every holiday season our Welding program creates a sculpture for the City of Pontiac that is revealed at the Christmas light up parade. This year's sculpture was Jack Skellington from "The Nightmare Before Christmas", his dog Zero, and their friend Santa. Make a trip to downtown Pontiac to see this year's sculpture, along with several others from years past!
